Person-to-Person - By this we know that we love the children of God, when we love God and keep His commandments. And His commandments are not burdensome. 1Jn 5:2

When we see a brother in need and our heart is opened with compassion for him, then the evidence of our love for the Father is revealed. And as our love and obedience to the Father is demonstrated it reveals our love to the body of Christ. Jesus said in John 14:15 "If you love Me, keep My commandments". These commandments show us the best and most fulfilling life possible; they are like "The Good Life" handbook. They tell us what to do because He knows how we work best. When we are born again we are given new hearts - hearts that desire to please God. Let us love one another! is
